

COMSATS Mathematical Olympiad 2017

Objective:

COMSATS is devoted and dedicated to bringing a love for Mathematics to students. So, as a step forward, *Department of Mathematics, COMSATS Institute of Information Technology (CIIT), Wah Campus* is going to hold a Mathematical Contest, named “*COMSATS Mathematical Olympiad (CMO)*”. Main aim is to arrest the Mathematics phobia at the foundation level of education system, thereby sensitizing, encouraging and motivating the interest of students in the study of Mathematical Sciences, thus paving the way for excellent performance in the study of science subjects. This will arouse students’ interest and enthusiasm for mathematical problem solving; develop mathematical intuition, reasoning and logical thinking, as well as creative and critical thinking. In addition, this can help improve the students’ math’s grades because they can apply problem-solving strategies learnt during the training.

Who Can Participate?

All enrolled students of Intermediate with Mathematics as one of the subjects.

Format:

- Paper will comprise of two sections:
 - a. Section I will consist of 20 MCQs
 - b. Section II will consist of 10 non-routine problems
- Duration of paper will be 150 minutes.
- Top 5 from test will compete a Mathematics Quiz to be held on Thursday March 16, 2017 at 02:00 pm
